## People Who Write

on typewriters marvel that busy business men still cling to the pen process. The business man using a typewriter would not voluntarily return to the old method, because he can turn off more work, of a better quality, and with less effort on his machine.

The Man Who Never  
Used a Typewriter

believes the task of learning to write a difficult and hopeless one. Try Others have learned; you can. Your first attempt will probably reveal the fact that you do faster work with the pen. That's quite natural; you are just learning. Your next trial will surprise you. Your fingers go to the right keys instinctively. It becomes easier and you will then begin to realize the usefulness and benefit of a typewriter.

CHOICE OF A TYPEWRITER

will either make or mar your writing happiness. For the business man desiring a machine, that combines speed, durability, does perfect work, and lastly, has the easiest keyboard to learn, buy the

## LATE FOREIGN NEWS.

VANCOUVER, April 16.

[By R. S. Warrimoe.]

### THE ORIENTAL WAR.

Terms of Peace Believed to be Arranged Between China and Japan.

The negotiations were continued at Shimoneski on April 10 between Count Ito and Li Hong Chang, the conference lasting two hours. There were ten days before the armistice would close. A diplomat in Washington gives his opinion, based on his experience with Japanese and Koreans, that the arrangements will not be completed before the last day. When Japan gave Korea three months to acquiesce in certain conditions, there was no response until the day before the time was up, and then Korea wanted a delay, which was refused.

It is reported that seven out of eight conditions demanded by China have been agreed to. The five most important items of the treaty are believed to be as follows: Extra-territorial rights for Japan in China, but not for China in Japan, the independence of Korea, an indemnity of about \$200,000,000, occupation of Port Arthur and Wei-hai-wei for a term of years, and the cession of the Island of Formosa. Three additional terms have been added, which are believed to relate to trade. Which of the terms it is that is causing the delay is not known.

Mail advices say that all is confusion in Peking and threatens to culminate in a panic. Scores of cowardly officers, fearing the approach of the Chinese army, are applying for leave to visit sick and aged parents.

Two American ladies were assaulted in Peking by soldiers, while the guards stationed for police duty looked on and grinned. The husbands of the ladies caught the offenders and beat them within an inch of their lives. A guard of Russian soldiers was afterward allowed to accompany the ladies in their walks.

### UNITED STATES

Monometallists are said to be alarmed, and may run Cleveland for President.

W. Jennings Demorest, the well-known fashion publisher and prohibitionist, is dead.

Another suit to test the validity of the income tax was brought. Captain Mahan is to be relieved of his command of the cruiser Chicago and assigned to special duty at the Naval War College.

The new American liner St. Paul was launched from Cramp's shipyard, Philadelphia, on the second attempt. She stuck on the ways when it was attempted to launch her last month. She is a sister ship to the St. Louis, is of 10,700 tons register and will accommodate about 1500 passengers.

### EUROPE.

William Court Gulley has been elected Speaker of the House of Commons by a majority of 11. He is a Liberal who supports Gladstone's Irish policy, and the Parnellites went against his election.

Oscar Wilde's books have been withdrawn from the public use in the British Museum.

### The Nicaragua Affair.

It was stated at the British Admiralty, on the 10th, that no orders had been given to the ships Royal Arthur and Wild Swan which would warrant the statements published, that they were to go to Corinto, Nicaragua, to enforce the ultimatum of Great Britain demanding \$75,000 indemnity for the expulsion of the British consular agent, Mr. Hatch, and others.

The San Francisco Chronicle of the 11th has a sensational report, giving a rumor that the cruiser Olympia's destination was Nicaragua instead of Santa Barbara, and that she was "looking for trouble." A telegram in another part of the same paper from Santa Barbara says, however, that the Olympia left there on the 10th for Smugglers' harbor, Santa Cruz island, for drill,

and returning the next Tuesday would remain during the festival being held there.

### Cuba.

A large number of insurgents were landed at the entrance to Baracoa, on the north side of Cuba, by a British schooner. The vessel was wrecked, her master shot by Spanish soldiers, and her crew imprisoned. The insurgents fought their way through the Spanish troops, seriously wounding 15 of the latter.

### LEI ILIMA CLUB.

At a meeting of the Lei Ilima Club held yesterday evening at the Hawaiian Hotel, further arrangements were made for the farewell dance to be given to Dr. Crandall at Independence Park to-morrow evening. An attractive program has been prepared in addition to the dancing. It will include an instrumental trio by Prof. Ordway, Dr. Crandall and Thos. Hennesey. The following committees were appointed at the meeting:

Executive Committee—W. A. Wright, president; D. Kawananakoa, vice-president; J. L. Holt, secretary and treasurer; A. K. Jones, caterer; C. W. Macfarlane, floor manager. Reception—J. S. Walker, E. A. Williams, L. de L. Ward, J. Marion Sims, H. M. Whitney, Jr., and H. A. Eilers.

### MATCH RACE ARRANGED.

Silky and Gerster Will Meet on July 4

The owners and backers of the racers Silky, Gerster and Nevada met at the Club Stables at noon today to make arrangements for a match race to take place on July 4. It will be remembered Tom Hollinger, owner of Gerster, issued a challenge in the BULLETIN for a race with Nevada and Silky for \$5000 a corner, the racers to pull the same weight as Gerster. The backers of Nevada would not agree to this last provision and dropped out from the race. The backer of Silky was willing to abide by the provisions and accepted the challenge for \$500 a side, mile heats, best three in five. E. A. McInerny was appointed stakeholder and a forfeit of \$250 was put up by the owners of Silky and Gerster. The race will come off on July 4 at Kapiolani Park.

### BLUFFED AN OFFICER.

A Political Prisoner Evicts the Guard on His Office.

V. V. Ashford called at his office, corner of Bethel and King streets, yesterday afternoon. Officer Keamini was in charge of the office. Mr. Ashford went inside and stayed several minutes. As he was walking out he told the officer that if he didn't walk out he'd be locked in, as he was going to fasten the door. The officer walked out as quick as a lamb and Mr. Ashford locked the door. Of course, the man heard from his superiors, and next time he is stationed in charge of a place, he will stand his ground and not be "bluffed" again.

### Petition for Amnesty

A petition was circulated at 10 o'clock yesterday morning praying that amnesty be granted the political prisoners. By 5 o'clock in the afternoon two hundred names had been affixed to the petition. At 6 o'clock the document was presented to President Dole at his residence, Emma street. The petitioners hoped that it being the president's fifty-first birthday the humble petition would be granted. The President replied that he would submit the petition to the Council and give his answer this afternoon.

The rumor circulated that the paper was for annexation is false.
